

REMARKS

Entry of this amendment is respectfully requested.

Claims 1 and 3-9 are in the application.

The claims of the subject application have been indicated to be allowable and a Notice of Allowance issued on August 6, 2009. Upon further review of the allowed claims, some minor typographical errors were noted in three dependent claims. Namely, dependent claims 4 and 9 refer to "a" second portion of the cradle. In Applicants' last response, claim 1 was amended to recite the second portion of the cradle in claim 1. Thus, Applicants seek to amend claim 4 to delete the phrase "said cradle includes a second portion" since this limitation is already present in claim 1. In addition, in claim 9, Applicants seek to change the term "a second portion" to --said second portion-- to be consistent with allowed claim 1. Applicants also seek to amend claims 4 and 7 to insert the phrase --of said cradle-- to clearly modify the phrase "said second portion". The proposed amendments seek to make the claims more clear and do not add new matter. It is respectfully requested that these amendments be entered.
